

SKY Brasil is Recognized by Great Place to Work® as One of the Country's 150 Best Workplaces in 2019

This is the second time SKY has been recognized among the top 150 Brazilian companies

São Paulo, **August 15, 2019** - Great Place to Work® honored SKY, Brazil's largest satellite pay TV operator, as one of the 2019 best workplaces in the country. The operator ranked #78 and it is the second time it places among the top 150. Great Place to Work®, a research and consulting firm, evaluated more than 2.645 companies to create the 2019 rank.

“Creating a great place to work is a top priority at SKY Brasil and we are pleased to receive this recognition,” said Estanislau Bassols, President of SKY. “I’m proud of the work our team has done to universalize digital entertainment while also creating an engaging and inclusive work environment where every employee can learn, connect, grow and thrive.”

In addition, to being recognized as a Great Place to Work, SKY has placed #1 in the Communication (sharing information) and Recognition (valuing good employee performance) categories and # 5 in the Inclusion (being balanced and fair) category.

The Best Workplaces in Latin America is one of a series of rankings by Great Place to Work based on employee feedback from Great Place to Work-Certified™ organizations. The company encourages organizations to identify, create and maintain great work environments and publishes more than 40 rankings annually, recognizing the best workplaces at a national, regional, and local level including companies in Latin America.
